HEALTHY LONGEVITY

What is **NEM**®?

NEM = Natural Eggshell Membrane, a patented ingredient composed of:

- ✓ **Glucosamine and Chondroitin sulfate** - Necessary for the foundation of cartilage
- ✓ **Fucose** - A natural sugar, an important part of joint tissue
- ✓ **Dermatan sulfate** - An important part of cartilage tissue, helps hold collagen in place
- ✓ **Type I collagen** New research indicates that type I collagen can boost glycosaminoglycan production, lower inflammation in the joint, and normalize type II collagen production

*In short, **NEM**® is food for your joints!*

Clinical research* studies on **NEM**® showed:

- Significant improvement in pain in **7 days**
- Significant improvement in flexibility in **7 days**
- Significant improvement in Range of Motion (ROM) pain in **30 days**
- Significant reduction in stiffness in **10 days**
